Science Exhibition

Date :15/12/2021

"Imagination is the source of every form of human achievement."

"Little Entrepreneur – Big Dream"

Dear Parents

Greetings!!

In our continuous endeavour to improve our students, we are delighted to introduce you that our school is going to organize an exhibition for the students of grade III to IX and for XI on Saturday, 18 December 2021.

(PEM Day) in the school premises during the school hours. The aim of the exhibition is to provide an opportunity to the students to showcase their aesthetic ideas, passion and creative innovations as well as ignite the minds of the children in the field of science and technology. JPS Academy believes that entrepreneurial skills are to be inculcated from various dimensions and one way is to build it as part of the education system. In this regard, we would like to invite all parents to view the exhibits on 18 December from 9:30 am to 1:00 pm and encourage the efforts of our students.

Therefore, we inform you that buses will not ply on that day.

The students, who will be part of the exhibition, will be dropped at 9:00 am and picked at 1:30pm by their parents only.

Regards

Principal
